Please note that the legal drinking age is 20 !

*Kindly note that each event is subject to potential changes or cancellations without prior notice. **Please note that this event is not eligible for discounts with JQ CARD usage, JR Kyūto point accrual or redemption, or discounts at JR Hakata City affiliated parking facilities.

*It is against the law to operate a vehicle under the influence of alcohol. Consuming alcohol during pregnancy and lactation can adversely impact the development of the fetus and infant.

Times may change, but where people gather, there is always sake and smiles.

The much-anticipated

"Kyushu Spring Sake Festival"

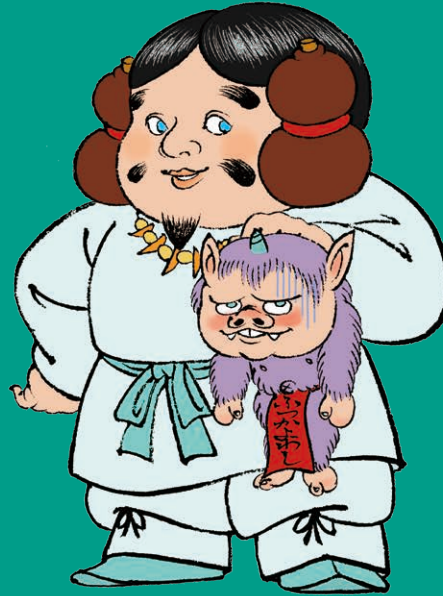

a tradition signaling the arrival of spring in Hakata, is just around the corner.

Goshuzinsama

Wherever people gather to enjoy drinking, the God of Sake is said to be present. Legend has it that the gourds on the sides of his head hold chasers, believed to be the secret to good taste and longevity.

Futsukayowashi

A mischievous demon lurks around those who have indulged in excessive drinking, often blamed for causing hangovers.

VENUE MAP

How to order

SAKE

○For your initial serving, please select either the "Original Sake Cup (800 yen/limited quantity)" or the standard "cup (100yen)" at each sake brewery booth and purchase it along with the sake of your choice.
○Subsequent servings will be poured into the original sake cup or the cup you originally purchased, so please only order sake thereafter.

SHOCHU·
WINE·BEER

With each serving, kindly purchase a special cup.
*Please note that the amount of sake may vary depending on the type, and it's essential not to reuse the cups.
